RE: PBS, INC. (PBS, INC. OF ILLINOIS d/b/a) - TI144

Received a fax from Mr. Harwood, advising to remove his company's fax number from our system, which I have done.

Also, he states that PBS, Inc. (PBS, Inc. of Illinois d/b/a) has been closed and out of business for over one (1) year. Am forwarding copy of what I received from Mr. Harwood for your further handling as he did not mention to cancel his certificate in this notification. As of this date there has not been a docket opened to cancel their certificate. Until their certificate is canceled the company will remain as "active" company and they will continue to be on the mailing list.

Thanking you in advance for your help.

Tommy, I would like to change the docket title on this cancellation. Normally, when the PSC cancels a cert, it is because of some type of violation. In this case, it LOOKS like Mr. Harwood stopped just short of asking that we cancel his cert. I would like to re-word the title to indicate he has requested cancellation. Do you have any problems with that? Kay
