**RE: Docket No. 951190-SU, Application for certificate to provide wastewater service in Pasco County by Sky Acres Enterprises DBA Terrace Park Ventures**

Dear Alice Crosby:

The following is enclosed:

1. **Registration of the Utility Name** from the Florida Department of State along with copies of the application
2. **A Letter specifying that the application is to be hence forth in the name Sky Acres Enterprises DBA Terrace Park Ventures** as per our conversation.

I apologize for the delay. I finally received the map from Ron on Sep. 29, 1996 and the maps he sent me are of the treatment plant and not of the collection lines. I tried to contact Ron all last week but was unable so I do not know for sure whether or not the collection lines map actually exists or not. Shortly after we talked the last time on the phone I sent down to Ron filing fees for the DEP Permit and was informed by him that the application has been filed by H2O Utilities, but have not received any report as to the expected date for the issuance of the permit. As soon as it becomes available it will be sent to you. At the time of our last conversation I had also spoken to Ron about the refilling of the warranty deed in the name of Sky Acres Enterprises DBA Terrace Park Ventures. I am continuing to try to contact Ron about information about the DEP Permit, the System Map and the new warranty deed. I decided that I could wait no longer and have only sent you these two items. If you should have any questions, please call me at 715-848-6089.

Sincerely

  
Paul Hoffer
