-----NOTE-----10/23/96--4:09pm-----

Hi, Kay. I need your advice. Currently, the title of this docket is:

Initiation of show cause proceedings against Conectco Communications for violations of Rules 25-24.470, Certificate of Public Convenience and Necessity Required, FAC, and 25-4.043, FAC, Response to Commission Staff Inquiries.

I need to change it to:

Initiation of show cause proceedings against Conetco Corporation d/b/a Communications Network Corporation for violation of Rule 25-4.043, FAC, Response to Commission Staff Inquiries.

This case was scheduled for the 10/8 agenda, but we discovered additional information and got it deferred on 10/7 to the 11/12 agenda. Do I send R&R a revised CASR reflecting the title and company name change? As information, after the deferral was granted, Legal filed a revised CASR to reflect the 11/12 agenda. Thanks.

Paula, I will use this e-mail to change the docket title. Once I change it in CMS, it will be changed the next time the CASR is printed out. There is no need for you to do a revised CASR just for name/title change.
