RE: AmeriConnect, Inc. (registered as Amerifax, Inc. dba AFAX in Florida) ("AmeriConnect"), Docket No., 900548-T1, Order No. 24222, Approved April 2, 1991 and Phoenix Network, Inc. ("Phoenix"), Docket No. 900305-T1, Order No. 23604 approved October 11, 1990

## Dear Sir/Madam:

This letter serves to jointly inform the Commission of a proposed merger between Phoenix and AmeriConnect. Both Phoenix and AmeriConnect are authorized to resell intrastate interexchange carrier services in the state of Florida as referenced above.

Pursuant to an Amended and Restated Agreement and Plan of Merger among Phoenix Network, Inc., ("Phoenix"), Phoenix Merger Corp., a wholly owned subsidiary of Phoenix ("Sub"), and AmeriConnect, Inc. ("AmeriConnect"), Sub will merge with and into AmeriConnect and AmeriConnect will become a wholly owned subsidiary of Phoenix. Subsequently, AmeriConnect's Certificate of Public Convenience and Necessity should be canceled, and it is Phoenix's intention to adopt AmeriConnect's existing tariff in its entirety.

The merger described herein is fully in the public interest. It will have no adverse impact on existing service or subscribers and will in fact be essentially transparent to Florida subscribers. AmeriConnect has had a successful record of serving Florida customers since authorization. Phoenix has grown rapidly and has expanded its operations nationwide. Phoenix's strong financial and organizational standing coupled with its significant volume of service procurement agreements with underlying carriers enables Phoenix to provide AmeriConnect's subscribers with comprehensive, cost effective long distance service. As Phoenix utilizes the same underlying carrier network services currently provided by AmeriConnect, as well as additional underlying carrier network services, the high level of service quality and reliability currently enjoyed by AmeriConnect's subscribers will remain unaffected. There will be no impairment or interruption of service to Florida subscribers as a result of this transaction between Phoenix and AmeriConnect. AmeriConnect's subscribers are being notified of the transaction in writing.
