RE: Undocketed - AT&T Communications of the Southern States, Inc. 1994 and 1995
Revenue Adjustments Audit Report; Audit Control No. 95-180-6-1

Dear Ms. Bayo:

On December 9, 1996, I wrote to you to request an extension of time to file a request for confidential classification of certain workpapers provided to staff in connection with the above-referenced staff audit report. Since that time, I have had the opportunity to discuss this matter with the AT&T personnel involved in the audit and was able to review with them the contents of the workpapers. Based on that discussion and review, AT&T has elected not to request confidential classification of these workpapers.

Thank you for your attention and courtesy regarding this matter. Please feel free to call me if you have any questions.

Very truly yours,

Marsha E. Rule
