Docket No. 960794-TL  
January 7, 1997

Issue 3: Recommendation that the Company transfer negative investment and reserve balances from the Aerial Wire account to the Aerial Cable investment and reserve accounts.

**APPROVED**

Issue 4: Recommendation that Attachment A of staff's December 26, 1996 memorandum, is a comparison of the basic factors reflected in Rule 25-4.0175, F.A.C., the factors proposed by the Company, and the factors recommended by staff. Attachment B of staff's memorandum, reflects the depreciation rates and components, while Attachment C of staff's memorandum, is a comparison of the resultant depreciation expense. Staff's recommendation, based on investments as of July 1, 1996, would result in an increase in expenses of approximately \$90,000.

**APPROVED**

Issue 5: Recommendation that the company-requested implementation date for the new rates of July 1, 1996, be approved.

**APPROVED**

Issue 6: Recommendation that, if no substantially affected person timely files a protest to the Commission's notice of proposed agency action, this docket should be closed.

**APPROVED**
