RE: DOCKET NO. 9200-WS - Resolution of the Board of County Commissioners of Manatee County declaring Manatee County subject to the provisions of Chapter 367, F.S.

Issue 1: Recommendation that Golf Lakes Residents Association, Inc., should be granted an exemption from Commission regulation for providing water and wastewater service to members of the homeowners association pursuant to Section 367.022(7), F.S. In addition, the Commission should acknowledge that providing water and wastewater service to a nonmember without compensation falls outside the definition of utility service pursuant to Section 367.021(12), F.S. and is non-jurisdictional. Further, the Commission should put Golf Lakes Residents Association, Inc., or its successors in interest, on notice that if there is any change in circumstances or method of operation which causes it to no longer qualify for exemption pursuant to Section 367.022, F.S. It should inform the Commission within 30 days of such change so that its status may be reevaluated.
