CASE BACKGROUND

On August 20, 1996, staff received a pay telephone application for certification from Mr. Raymond Antonacci d/b/a LAD, LTD. The application was issued Docket no. 960937-TC and certificate number 4965. Further investigation revealed that Mr. Antonacci was associated as liaison for DAMMAM INTERNATIONAL CORPORATION, certificate no. 1931.

On November 8, 1996, staff received correspondence from Mr. Antonacci requesting withdrawal of the application. However, staff processed the request as a cancellation in error. The Commission approved the recommendation at the December 2, 1996 Agenda. To correct this error, staff believes the following recommendations are appropriate.

DISCUSSION OF ISSUES

ISSUE 1: Should the Commission vacate Order No. PSC-96-1524-FOF-TC, Docket No. 961358-TC?

RECOMMENDATION: Yes.

STAFF ANALYSIS: The application should have been withdrawn, however, staff erred in processing the docket as a cancellation. The certificate #4965 was not previously assigned to any other company, therefore, no harm has occurred in disconnection of any service. Accordingly, the Commission should vacate Order No. PSC-96-1524-FOF-TC, Docket 961358-TC. Staff has provided the Division of Records and Reporting the appropriate documentation to withdraw Mr. Antonacci's application for a pay telephone certificate. As a result, no regulatory assessment fees will be due for this certificate.

ISSUE 2: Should this docket closed?

RECOMMENDATION: Yes.

STAFF ANALYSIS: Since staff erred in the processing of this docket and no harm has occurred in disconnection of any service, staff believes this docket should be closed.
