961165-TI

On March 12, 1997, NYNEX Long Distance Company (NYNEX-LDC) faxed staff a petition for voluntary dismissal for bond waiver. Staff requests withdrawal of Item No. 11 on the March 18th Agenda Conference. Staff will close this docket administratively when NYNEX-LDC officially files its request for voluntary withdrawal. Staff does not object to the Company's intended action.
