RE: DOCKET NO. 961233-TI; INITIATION OF SHOW CAUSE
PROCEEDING AGAINST FOX FIBER OPTICS FOR VIOLATION OF
RULES 25-24.470, F.A.C., CERTIFICATE OF PUBLIC
CONVENIENCE AND NECESSITY REQUIRED AND 25-4.043,
F.A.C., RESPONSE TO COMMISSION STAFF INQUIRIES.

AGENDA: 04/14/97 - REGULAR AGENDA - ISSUE 1, SHOW CAUSE
ORDER - ISSUE 2 AND 3 PROPOSED AGENCY ACTION -
INTERESTED PERSONS MAY PARTICIPATE

CRITICAL DATES: NONE

SPECIAL INSTRUCTIONS: S:\PSC\CMU\WP\961233.RCM

CASE BACKGROUND

On May 28, 1996, staff received an inquiry from United Telephone of Florida (pages 6-7) concerning a company called Fox Fiber Optics. On May 31, 1996, staff mailed a certified letter to Fox Fiber Optics informing it of its responsibility to become certificated as an interexchange telecommunications company. An application was enclosed with the letter and a return date of June 28, 1996 was requested (pages 8-11). The certified receipt was signed and returned to staff (page 12) indicating Fox Fiber Optics had received the information on June 5, 1996.

Since no response was received by June 28, 1996, another certified letter was mailed to Fox Fiber Optics on July 18, 1996 informing it of staff's intentions to recommend the Commission order all certificated IXCs to discontinue providing intrastate long distance service to Fox Fiber Optics if the information requested in our May 31, 1996 letter was not received (pages 13-

DOCUMENT NUMBER-DATE

03372 APR-25

FPSC-RECORDS/REPORTING

DOCKET NO. 961233-TI
DATE: April 2, 1997

14). The certified receipt was signed and returned to staff (page 15) indicating Fox Fiber Optics had received the information on July 26, 1996. As of the date of this recommendation, no application has been received from Fox Fiber Optics.

On November 21, 1996, staff did receive a letter from Ms. Connie Wightman, Technologies Management, Inc., a consultant to the company, informing staff that all customer services sold by Fox Fiber Optics were provided by WATS/800 d/b/a Information & Telephone Services (page 16).

Attached to this recommendation is a copy of a complaint received February 2, 1997, by our Division of Consumer Affairs (page 17). The complaint includes copies of bills that staff believes shows that Fox Fiber Optics provides intrastate interexchange services (pages 18-27).

Therefore, because of Fox Fiber Optics' failure to respond to Commission correspondence in a timely manner and its apparent violation of Rule 25-24.470, Florida Administrative Code, Certificate of Public Convenience and Necessity Required and Rule 25-4.043, Florida Administrative Code, Response to Commission Staff Inquires, staff believes the following recommendations are appropriate.

STAFF DISCUSSION

ISSUE 1: Should FOX FIBER OPTICS be ordered to show cause in writing within 20 days of the Commission's show cause order why it should not be fined \$100,000.00 for the apparent violation of Rule 25-24.470, Florida Administrative Code, Certificate of Public Convenience and Necessity Required, and \$25,000 for apparent violation of Rule 25-4.043, Florida Administrative Code, Response to Commission Staff Inquiries, with fine monies forwarded to the Office of the Comptroller for deposit in the General Fund pursuant to Section 364.285, Florida Statutes?

RECOMMENDATION: Yes.

DOCKET NO. 961233-TI
DATE: April 2, 1997

STAFF ANALYSIS: Rule 25-24.470, Florida Administrative Code, Certificate of Public Convenience and Necessity Required, states:

No person shall provide intrastate interexchange telephone service without first obtaining a certificate of public convenience and necessity from the Commission. Services may not be provided, nor may deposits or payment for services be collected, until the effective date of a certificate, if granted. However, acquisition and other promotional activities may begin prior to the effective date of the certificate at the applicant's risk that it may not be granted. In any customer contacts or advertisements prior to certification, the applicant must advise the customer that certification has not and may not be granted.

The billing statements included with the complaint (pages 19-27) contain the Fox Fiber Optics logo and requests direct payment be made to Fox Fiber Optics. The call detail records also indicate that Fox Fiber Optics provided intrastate interexchange services. Therefore, it appears that FOX FIBER OPTICS has violated Rule 25-24.470, Florida Administrative Code, Certificate of Public Convenience and Necessity Required, by providing intrastate telecommunications service without a certificate.

Fox Fiber Optics also is in apparent violation of Rule 25-4.043, Florida Administrative Code by failing to respond to staff's inquiries. The rule is as follows:

The necessary replies to inquiries propounded by the Commission's staff concerning service or other complaints received by the Commission shall be furnished in writing within fifteen (15) days from the date of the Commission inquiry.

Fox Fiber Optics failed to respond to staff's correspondence of May 31 and July 18, 1996, in which staff informed the company of its apparent violations of Commission rules and advised that staff would recommend to the Commission that it direct all certificated IXCs to discontinue intrastate interexchange services to the company if certification was not obtained.

The Commission is authorized by Section 364.285, Florida Statutes, to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000, per day, for each violation if

DOCKET NO. 961233-TI
DATE: April 2, 1997

such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364. Utilities are charged with knowledge of the Commission's rules and statutes. Additionally, "[i]t is a common maxim, familiar to all minds, that 'ignorance of the law' will not excuse any person, either civilly or criminally." Barlow v. United States, 32 U.S. 404, 411 (1833). Thus, any intentional act, such as Fox Fiber Optics' conduct in issue here, would meet the standard for a "willful violation."

Staff believes that Fox Fiber Optics' apparent conduct in providing intrastate interexchange telecommunications services without being certificated to do so, and in failing to respond to staff inquiries in this matter, has been "willful" in the sense intended by Section 364.285, Florida Statutes. In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL titled In re: Investigation Into The Proper Application of Rule 25-14.003, F.A.C., Relating To Tax Savings Refund for 1988 and 1989 For GTE Florida, Inc., having found that the company had not intended to violate the rule, the Commission nevertheless found it appropriate to order it to show cause why it should not be fined, stating that "In our view, willful implies intent to do an act, and this is distinct from intent to violate a rule."

Accordingly, staff recommends that the Commission find that Fox Fiber Optics' apparent violation of Rules 25-24.470 and 25-4.043, Florida Administrative Code, warrants the issuance of a show cause order. Fox Fiber Optics should be ordered to show cause within 20 days of the order why it should not be penalized pursuant to Section 364.285, Florida Statutes, for failure to comply with Commission rules.

ISSUE 2: Should the Commission order all certificated interexchange telecommunication companies to discontinue providing interexchange telecommunications service to FOX FIBER OPTICS pursuant to Rule 25-24.470(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited?

RECOMMENDATION: Yes.

DOCKET NO. 961233-T1
DATE: April 2, 1997

STAFF ANALYSIS: Since it appears that Fox Fiber Optics may be operating in Florida without a Certificate, it is staff's belief that the Commission should invoke Rule 25-24.4701 (3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited.

(3) The Commission, upon making a determination that a customer of an interexchange company is unlawfully reselling or rebilling intrastate interexchange service may issue an order that directs the customer to cease and desist reselling or rebilling such service and simultaneously directs the interexchange company to discontinue providing such service to such customer and/or to cease providing service to such customer at additional locations within Florida, provided that such discontinuance or limitation of service is technically feasible within the context of existing facilities and technology.

Accordingly, staff recommends that the Commission order all certificated IXCs to discontinue providing intrastate long distance service to this company.

ISSUE 3: Should this docket be closed?

RECOMMENDATION: No, if the Commission approves staff's recommendation in Issue 1, this docket should remain open pending the resolution of the show cause proceeding and any protest that may be filed within 21 days of the issuance of the order by a person whose substantial interest are affected by the Commission decision in Issue 2.

STAFF ANALYSIS: If the Commission approves staff's recommendation in Issue 1, an order to show cause will be issued and this docket should remain open for the resolution of the show cause proceeding. Further, this docket should remain open pending the resolution of the show cause proceeding and any protest that may be filed within 21 days of the issuance of the order by a person whose substantial interest are affected by the Commission decision in Issue 2. If the Commission denies staff's recommendations in both Issues 1 and 2, this docket should be closed.

Dear Russ:

To verify your conversation yesterday, April 17, 1996, FOX Fiber Optics will offer your company the following rates for your company's long distance service:

10.0 cpm for interstate, intrastate, long distance and 800 service with no monthly service fee.

The charging intervals for those rates will be 6 seconds upon connection, and then each 5 seconds thereafter.

The above rates are 24 hours a day, 7 days a week.

FOX Fiber Optics guarantees to maintain the above rates for lifetime as long as your billing remains current.

Russ, thank you for your confidence in FOX Fiber Optics. We welcome this opportunity to serve your communications requirements. If you have any questions, please call me at 877-5400 ext. 413.

Sincerely,

By: Dennis Marshall

RE: Certification in Florida

Dear Mr. Marshall:

It has been brought to our attention that you could be providing one or more of the following interexchange telecommunication services (IXC):

- (FBC) **Facilities based carrier** - company owns and operates or plans to own and operate telecommunications switches and transmission facilities in Florida.
- (OSP) **Operator Service Provider** - company provides or plans to provide alternative operator services for pay phone, hospital, hospitality industry, public lodging or confinement facility locations; or clearinghouse services to bill such calls.
- (RES) **Reseller** - company has or plans to have one or more switches but primarily leases the transmission facilities of other carriers. Bills its own customer base for services used.

Mr. Marshall
page 2
May 31, 1996

(SWR) **Switchless rebiller** - company has no switch or transmission facilities but may have a billing computer. Aggregates traffic to obtain bulk discounts from underlying carrier. Rebills end users at a rate above its discount but generally below the rate end users would pay for unaggregated traffic.

(MLDA) **Multi-Location discount aggregator** - any person or entity that contracts with unaffiliated entities to aggregate traffic to obtain discounts from any interexchange company.

First, without a Certificate of Public Convenience and Necessity from this Commission to operate as an interexchange telecommunication company, Fox Fiber Optics (Fox) cannot charge or collect any type of upfront fees (connection or sign up fees); nor can Fox hold itself out as a provider of telecommunications services; nor can Fox bill in its name for any intrastate telecommunication services. This includes the multi-location discount aggregator plans offered by certain underlying carriers, such as AT&T.

If Fox contracts with unaffiliated entities to obtain bulk/volume discounts under multi-location discount plans from certain underlying carriers, such as AT&T, Fox would need to be certificated in Florida, to meet the directives as stated in Commission Rule 25-24.470(2), F.A.C., Certificate of Public Convenience and Necessity Required.

It is recognized that the customer may receive all billing from the MLDA, or billing may continue from the primary IXC, or the MLDA may submit a separate bill for a share of the customer's savings from the discounted rate. However, the MLDA's use of a discount rebate schedule, which allows it to keep a portion of the volume discount acquired from the IXC, constitutes an indirect payment to the MLDA from the customer. Further, the largest carriers such as AT&T, Sprint, and MCI consider the end user subscribers to be joint customers of the IXC and the MLDA.

Mr. Marshall
May 31, 1996
page 3

Second, registration with the Secretary of State, Division of Corporations to conduct business in Florida is required. You may contact them at (904) 487-6051 for further information on registration/qualification.

Third, any deposits taken from other companies for telecommunications services in Florida should be refunded.

Fourth, since Fox is not certificated to conduct intrastate telecommunication service in Florida, Fox cannot bill or collect for any intrastate telecommunication services performed in Florida. Therefore, please complete the enclosed application and return by June 28, 1996.

Failure to respond in a timely manner may result in legal action. Further, if it is ultimately determined that Fox has violated either Sections 364.33 and 364.335, Florida Statutes or Rule 25-24.470, Certificate of Public Convenience and Necessity Required, Florida Administrative Code, it could be subject to a fine of up to \$25,000.00 for each offense pursuant to Section 364.285, Penalties, Florida Statutes, for every day it was in violation.

Further, if you fail to respond to this letter and it is determined that Rule 25-24.4701 (3), Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited, Florida Administrative Code, has been violated, a recommendation will be made to the Commission to order all certificated interexchange telecommunication companies in Florida to discontinue providing intrastate telecommunication service to Fox.

This correspondence represents an interpretation by the staff of the Florida Public Service Commission regarding the statutes and rules which appear to apply to your circumstances. It is provided for your convenience and is not a formal decision by the Commission. Any formal determination of your substantial interests regarding matters within the jurisdiction of this Commission will be made pursuant to the provisions of Chapter 120, Florida Statutes and Chapter 25-22, Florida Administrative Code.

RE: Certification in Florida

Dear Mr. Marshall:

As of this date, we have not received a response or the information requested in my May 31, 1996 letter (attached). Therefore, since it appears that Fox Fiber Optics may be operating in Florida without a Certificate pursuant to Rule 25-24.4701 (3), F.A.C., Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited;

(3) The Commission, upon making a determination that a customer of an interexchange company is unlawfully reselling or rebilling intrastate interexchange service may issue an order that directs the customer to cease and desist reselling or rebilling such service and simultaneously directs the interexchange company to discontinue providing such service to such customer and/or to cease providing service to such customer at additional locations within Florida, provided that such discontinuance or limitation of service is technically feasible within the context of existing facilities and technology,

staff will recommend that the Commission order all certificated IXC's to discontinue providing intrastate long distance service to Fox Fiber Optics.

RE: 961233-TI

Dear Tom:

Fox Fiber Optics is not a telecommunications company. Fox is an authorized agent of WATS/800 doing business as Information & Telephone Services (ITS). After several conversations with ITS, it does not appear that Fox intends to be a certificated carrier. All rates, billing and customer service for services sold by Fox are provided by ITS.

I hope this is sufficient information for a recommendation to close the open docket. Please call me if you need anything further.

Thank you for your assistance.

Sincerely,

Connie Wightman
Consultant

Customer faxed a copy of a bill he received from a company called Fox Fiber Optics. Customer said he never requested service from this company. This company does not appear on our certified list. I called the numbers listed on the bill, however no one was able to give me the name the company is certified under in Florida. I requested someone call me who would have the information but no one called me back. I called Bellsouth to get a pic history. Bellsouth has the customer pic'd to IDS with no change showing. IDS is the customer's carrier of choice.

Dear Sir or Ms.:

We are in receipt of your *final notice before disconnect* regarding the referenced account.

Please be kindly advised that since *July, 1996*, you have had absolutely no authority from us to serve as either our *inter-state or intra-state long distance carrier*. By copy of this letter to the Florida Public Service Commission, we are advising them of your unauthorized charges, and interference with, our local long distance carrier. Our choice is and has been Southern Bell Telephone Company for local long distance. Further, by our express written authority, IDS is our LATA long distance carrier and has been since July, 1996.

We are hereby contesting each and every charge and will not be remitting the alleged \$56.64 that you claim we owe you until this matter is resolved. Please provide us with a copy of any and all agreements executed by the undersigned authorizing you as a long distance carrier during the time of the charges in question.

Thank you in advance for your anticipated prompt attention to this matter.

Very truly yours,

Richard G. Chosid
