Re: Garden Grove Water Company, Inc.
Water Well Lease

Dear Mr. Callen:

I represent Garden Grove Water Company before the Florida Public Service Commission (PSC), which now regulates water utilities in Polk County.

Garden Grove has applied for certification by the PSC. The PSC has reviewed Garden Grove's water well lease agreement with you. Garden Grove has advised the PSC that the lease is in effect, and that by letter dated December 5, 1995, Garden Grove notified you of the renewal of that lease for a second ten (10) year term.

The PSC has asked us to obtain confirmation from you that the lease remains in effect as explained above.

We therefore respectfully request that you acknowledge the effectiveness of the lease by your signature where indicated below and returning the acknowledgment to me in the enclosed stamped, self-addressed envelope.

Thank-you very much for your assistance on this matter.

Sincerely,

Wayne L. Schiefelbein
