Re: Docket No. 970229-SU: Application of K.W. Resort Utilities Corporation for limited proceeding increase in reuse water rates

Dear Mr. Girtman:

As you are aware, staff is currently reviewing the application filed in the above referenced docket. So that we can fully analyze K.W. Resort Utilities Corporation's request, we need information from Key West Country Club (KWCC). Therefore, we request that KWCC provide a response to the following:

1. Does the golf course have a consumptive use permit from the South Florida Water Management District? If so, please provide a copy. What are the WMD's requirements regarding reuse for the golf course?
2. Please provide a list of the golf course's alternative sources of water. Has the golf course completed a cost study for any of these alternatives? If so, please provide a copy of the study and the results.

Please file an original and 15 copies of the response to the Division of Records and Reporting by May 20, 1997. If you have any questions, please contact me at 413-7011.
