Dear Mr. D'Haeseleer:

On behalf of Midwest Fibernet Inc. ("MFI") and its parent company, Consolidated Network Inc. ("CNI") (collectively, the "Parties"), this letter is to notify the Commission of certain developments involving the above referenced docket. An original and five (5) copies of this filing are submitted. Please date stamp the extra copy of this filing and return it to us in the self-addressed, postage-paid envelope provided.

1. Intracorporate Merger Completed

By this letter, the Parties hereby inform the Commission that the intra-corporate merger that is the subject of the Parties' notification letter dated October 19, 1995 ("Notification Letter") has been completed. CNI, pursuant to the authority granted by this Commission in Order No. PSC-95-160's-FOF-TI, is continuing to provide MFI's services with no change in the operation, control, or ultimate ownership of the company providing services to Florida customers.

2. Name Change to Consolidated Communications Telecom Services Inc.

Additionally (and as indicated in the Notification Letter), CNI confirms that it has changed its corporate name to Consolidated Communications Telecom Services Inc. ("CCTS"). Although CNI has changed its corporate name, the ownership of CNI remains unaffected. The company

now operates in Florida under its new name, with no change in the rates, terms, or conditions of service set forth in MFI's tariff currently on file with the Commission. Accordingly, CCTS respectfully requests that the Commission take administrative action to change the name on the certificate of public convenience and necessity issued to MFI to reflect this fact. CNI has made the necessary filing with the Florida Secretary of State to change its name and will forward, upon receipt, a copy of its authority to transact business under the CCTS name.

3. Consolidated Communications Telecommunications Tariff No. 1

Pursuant to the instructions of Jim Strong, enclosed are revised MFI tariff sheets, which correctly reflect the name change to CCTS. The following sheets are transmitted in this filing:

First Revised Sheet No. 1 First Revised Sheet No. 2 First Revised Sheet No. 7

In addition, we have enclosed peel-off CCTS labels, which should be used to update all of the remaining MFI tariff sheets to reflect the CCTS name. One set of labels is to be used to correct the header on each page; the other set is to be used to correct the footer on each page.

Should you have any questions or if additional information is required, please do not hesitate to contact us.

Very truly yours,
