Re: Docket No. 960786-TL

Dear Ms. Bayó:

This is in response to BellSouth's letter of June 18 which proposed two sub-issues for issue (1).

MCI believes that to more closely track the language of the Act, BST's proposed sub-issue (b) should be revised to read:

Has a statement of the terms and conditions that BellSouth generally offers to provide access and interconnection been approved or permitted to take effect under Section 252(f)?

This correspondence is being faxed to the parties of record. If you have any questions, please call.

Very truly yours,

Richard D. Melson
