Enclosed you will find my check for \$50.00 for the above referenced account. Please take steps to cancel this certificate.

Pay phone equipment purchased by me from Lucent Laboratories was not at all satisfactory. The equipment was not working more than a few days at a time and service to repair was sent from Tallahassee, never on a timely basis. Equipment was removed last year and I am involved in litigating the situation with Lucent Laboratories.

The pay phone equipment currently in operation at 105 Highway 98 is wholly owned and operated by St. Joseph Telecommunication and I do not receive any revenue from it.

Very truly yours,

James R. Sullivan
