Re: Bejra's Food Mart

Ms. Monteiro,

Please find enclosed the request(s) to "block incoming calls".

We request that the pay telephones be exempted from the provisions of Rule 25-24.515(8), F.A.C., which requires that all pay telephones must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals, schools and at locations specifically exempted by the Commission."

This waiver is being requested in accordance with the requirements of Florida State Statutes 120.542(2). Granting this waiver will not impeded the continued provision of pay telephone service to the using public as intended by the underlying Statute Section 364.345.

In granting this waiver, it will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding user.

The Sherriff's Department and the locations owner fully agree with this waiver because they feel the pay telephone is also being used for allegedly illegal activities.

Please advise by Order if our request for the waiver has been accepted.
