FROM: Walter D'Haeseleer, Director, Division of Communications *WDH*
RE: Docket No. 970648-TI; Request for name change on Interexchange Telecommunications Certificate No. 3175 from Midwest Fibernet Inc. to Consolidated Communications Telecom Services Inc.

Midwest Fibernet Inc. (TI142) has requested a name change on its Certificate No. 3175 from Midwest Fibernet Inc. to Consolidated Communications Telecom Services Inc.

Since the change does not involve a change in control or transfer of assets, it is my recommendation that the name change be acknowledged and that the certificate be reissued.

As required in Chapter 2.07, Section C.3 of the Administrative Procedures, this is to inform you that I concur with the name change on Certificate of Public Convenience and Necessity No. 3175 from Midwest Fibernet Inc. to Consolidated Communications Telecom Services Inc.

Attn: Jim Strong

Re: Docket No. 951256-TI - Order No. PSC-95-1609-FOF-TI

Dear Mr. D'Haeseleer:

On behalf of Midwest Fibernet Inc. ("MFI") and its parent company, Consolidated Network Inc. ("CNI") (collectively, the "Parties"), this letter is to notify the Commission of certain developments involving the above referenced docket. An original and five (5) copies of this filing are submitted. Please date stamp the extra copy of this filing and return it to us in the self-addressed, postage-paid envelope provided.

1. **Intracorporate Merger Completed**

By this letter, the Parties hereby inform the Commission that the intra-corporate merger that is the subject of the Parties' notification letter dated October 19, 1995 ("Notification Letter") has been completed. CNI, pursuant to the authority granted by this Commission in Order No. PSC-95-1609-FOF-TI,^{1/} is continuing to provide MFI's services with no change in the operation, control, or ultimate ownership of the company providing services to Florida customers.

2. **Name Change to Consolidated Communications Telecom Services Inc.**

Additionally (and as indicated in the Notification Letter), CNI confirms that it has changed its corporate name to Consolidated Communications Telecom Services Inc. ("CCTS"). Although CNI has changed its corporate name, the ownership of CNI remains unaffected. The company

^{1/} *Request for Approval of Intracorporate Merger and Proforma Transfer of Control of Midwest Fibernet Inc. to Consolidated Network Inc.*, Order, Docket No. 951256-TI (Dec. 29, 1995).

Walter D'Haeseleer

now operates in Florida under its new name, with no change in the rates, terms, or conditions of service set forth in MFI's tariff currently on file with the Commission. Accordingly, CCTS respectfully requests that the Commission take administrative action to change the name on the certificate of public convenience and necessity issued to MFI to reflect this fact.^{2/} CNI has made the necessary filing with the Florida Secretary of State to change its name and will forward, upon receipt, a copy of its authority to transact business under the CCTS name.

3. Consolidated Communications Telecommunications Tariff No. 1

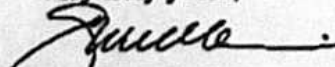

Pursuant to the instructions of Jim Strong, enclosed are revised MFI tariff sheets, which correctly reflect the name change to CCTS. The following sheets are transmitted in this filing:

First Revised Sheet No. 1
First Revised Sheet No. 2
First Revised Sheet No. 7

In addition, we have enclosed peel-off CCTS labels, which should be used to update all of the remaining MFI tariff sheets to reflect the CCTS name. One set of labels is to be used to correct the header on each page; the other set is to be used to correct the footer on each page.

Should you have any questions or if additional information is required, please do not hesitate to contact us.

Very truly yours,

Julia A. Waysdorf
Grace R. Chiu

Counsel for Consolidated Communications

^{2/} MFI is a nondominant resale interexchange carrier certificated in Florida by Commission Order No. PSC-93-0786-FOF-TI, issued on May 24, 1993. As stated above, MFI recently merged into CNI, its parent company, pursuant to an intra-corporate merger approved by this Commission in Docket No. 951256-TI. See *Request for Approval of Intracorporate Merger and Proforma Transfer of Control of Midwest Fibernet Inc. to Consolidated Network Inc.*, Docket No. 951256-TI, Order No. PSC-95-1609-FOF-TI (Dec. 29, 1995).

TELECOM SERVICES INC.

F.P.S.C. NO. 1
1ST REVISED SHEET NO. 7
CANCELS ORIGINAL SHEET NO. 7

TELECOMMUNICATIONS SERVICES TARIFF

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Access Line - A telephone line provided by local exchange carriers which connects a telephone or other communications device at a customer's location to Consolidated Communications Telecom Services Inc.'s Underlying Carrier's telecommunications network switching center(s). (T)
(T)

Authorization or Account Code - A numerical code of four to eleven digits, one or more of which codes are available to a customer to enable the customer to lawfully connect its communication devices for the purpose of accessing the telecommunications networks of Consolidated Communications Telecom Services Inc.'s Underlying Carrier, and which thereby are used to prevent unauthorized network access and to identify the customer and its calling volumes for billing purposes. (T)

Company or Carrier - Consolidated Communications Telecom Services Inc. - Mattoon, IL. (T)
(T)

Customer - The person, firm, corporation, end user or other entity which orders or uses services and is responsible for payment of charges.

Holidays - New Year's Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

FPSC - Florida Public Service Commission.

Service Agreement - Company's standard form for the ordering and acceptance of a customer's request for and commitment to take Company's service offerings pursuant to this tariff.

Rate Center - The Points of Presence (POPS) or first point of interconnection of local exchange facilities providing access to the long distance network of the Company's Underlying Carrier and the point from which a customer's traffic is rated and billed.

Underlying Carrier - The telecommunications carrier whose network facilities provide the technical capability and capacity necessary for the transmission and reception of customer telecommunications traffic within Florida.
