Re: Docket No. 960290-TP

Dear Ms. Bayo:

Enclosed for filing is a corrected copy of the letter to Stan Greer and an attached service list indicating service of the list of Sprint-Florida's agreements with Class B LECs. Service of the letter was inadvertently overlooked in the haste to get the list filed. Please note that the list has not changed and is identical to the one filed on July 28, 1997.

Thank you for your attention to this filing and I apologize for any inconvenience that this may have caused.

Sincerely,

Charles J. Rehwinkel

Re: Docket No. 960290-TP

Dear Stan:

I am enclosing a copy of the list of agreements that Sprint-Florida maintains with Class B Local Exchange Companies. This list is being provided in conformance with Commission Order No. 97-0760-FOF-TP. Please note that the list includes agreements that are not what the company considers to be interconnection agreements. Nevertheless, the more extensive list is being provided in an abundance of caution. Sprint-Florida's filing does not waive any rights the company has with regard to the type of agreements that are ultimately to be filed, nor does this letter obligate or speak for any other company.

If you have any questions please do not hesitate to call me at 850/847-0244.
