Re: Docket No. 960576-WS - Application for amendment of Certificates Nos. 340-W and 297-S by Mad Hatter Utility, Inc., in Pasco County.

Dear Marty:

This letter pertains to Order No. PSC-97-0378-FOF-WS, issued April 7, 1997, in the above-referenced docket. By that order, the Commission found, among other things, that Mad Hatter Utility, Inc. (MHU or utility), had provided a copy of a 99-year lease as evidence of ownership of the land upon which the facilities proposed to serve the Lake Linda Circle Mobile Home Park are located. It has come to the staff's attention that although that 99-year lease proves ownership of the land upon which the wastewater treatment plant is located, it does not prove ownership of the land upon which the water treatment plant is located. Therefore, by this letter, we are requesting that pursuant to Rule 25-30.036(3)(d), Florida Administrative Code, the utility provide us, as expeditiously as possible, with evidence of ownership of the land upon which the water treatment plant is located.

Thank you for your attention to this matter. If you have any questions about this request, please feel free to call me at 413-6224.

Sincerely,

Rosanne G. Capeless,  
Staff Counsel
