RE: Docket Nos. ~~970273-WU~~ and 971150-WU, Duval Utility Company

Docket No. 971150-WU, Request for approval of transfer of water facilities of Duval Utility Company to Clay County Utility Authority and cancellation of Certificate No. 299-W in Clay County, was opened in error. It was staff's intention to process the utility's revised application in Docket No. 970273-WU. Therefore, staff is requesting that the filing be transferred to Docket No. 970273-WU, and that Docket No. 971150-WU be closed.

However, due to the revisions in the application, the title that was used for the new docket is more appropriate for this case. Therefore, staff would also like to request that the title of Docket No. 970273-WU be changed to the title that was used for the newly opened Docket No. 971150-WU.

Additionally, please delete R. Redemann and add Staff Counsel H. Ottinot to the existing case assignments for Docket No. 970273-WU. Please feel free to call me at 413-7015 if you have any questions or need any additional information. Thank you for assistance with these changes.
