RE: Docket No. **961299-WS**
Application for Grandfather Certificates to Provide Water
and Wastewater Service in Polk County by Garden Grove
Water Company, Inc.

Dear Mr. Jaeger:

In response to your September 10, 1997 letter to me and Ms. Rhinehart of Orchid Spring Development Corporation, this will confirm the substance of our October 1, 1997 telephone conversation. It appears that Garden Grove Water Company and Orchid Springs have reached a meeting of the minds on resolving the apparent conflict between the legal descriptions of the two utilities' respective service areas. We intend to prepare a stipulated settlement agreement of this controversy for Commission approval. I will do everything I can to facilitate and expedite that process and will advise you of its status within the next two weeks.

Sincerely,

Wayne L. Schiefelbein

Re: Docket No: 961299-WS; Application for Grandfather Certificate
for Garden Grove Water Company, Inc. in Polk County

Dear Mr. Redemann:

This letter will confirm our telephone conversation earlier today whereby I advised you that my client, Orchid Springs Development Corporation and Garden Grove Water Company have resolved the problem associated with the service area boundary lying to the north and west of Overlook Drive (Hawthorne Inn and Art Effects).

I am advised that Wayne Schiefelbein (GGWC's counsel) will prepare and submit the appropriate documents to your office in this regard. If you have not received anything in the next few days, please let me know.

Yours very truly,

M. Lance Holden
