INTERMEDIA COMMUNICATIONS INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION

Intermedia Communications Inc. (Intermedia), hereby files pursuant to Rule 25-22.006, Florida Administrative Code, its Request for Confidential Classification, and states the following:

1. On September 15, 1997, Intermedia filed its response to the request of the Staff of the Florida Public Service Commission (Commission) to provide additional information regarding portions of the material originally submitted by BellSouth Telecommunications, Inc. in response to the Commission's subpoena. On September 15, 1997, Intermedia filed a Notice of Intent to Request Confidential Classification as well.

2. This information was entered into the record as confidential at the hearing and has been identified as Late-Filed Exhibits 80 and 107.

3. Late-Filed Exhibit 80 is a request to identify the number of Intermedia Business Customers as of September 1, 1997. The response includes the number of business and residential customers and a description and quantity of each resold service Intermedia provides to those customers. 5. Attachment "A" to this Request identifies the page and line at which the confidential material is found, and correlates the page and line with the specific justification for confidential classification of the information.

7. The information for which Intermedia seeks confidential classification is not publicly available. Intermedia has treated and intends to continue to treat the material for which

WHEREFORE, based on the foregoing, Intermedia Communications Inc. respectfully requests that the Commission enter an order declaring that the information described above to be confidential proprietary business information, and thus not subject to public disclosure.
