Re: Docket No. 971065-SU, Application For Increased Wastewater Rates by Mid-County Services, Inc. In Pinellas County.

Dear. Mr. Melson:

We have reviewed the company's application including the minimum filing requirements submitted on September 4, 1997, and the revisions submitted on September 18, 1997, on behalf of the above-mentioned utility. After further review of this information, we have found an additional deficiency. The specifics are identified below:

Commission Form PSC/WAW 19 (11/93) on Schedule E-2 requires the utility to provide a revenue calculation for each period if a rate change occurred during the test year. On September 25, 1996, the utility received a 1996 Price Index and Ad Valorem Tax Rate Adjustment (WS 96-0147). The adjustment was effective for service rendered on or after September 29, 1996. We do not find this adjustment reflected on Schedule E-2 and, therefore, consider it deficient.

Sincerely,

Charles H. Hill
Director
