Re:

Docket No.

Waiver of Rule 25-24.515(8), F.A.C.

Dear Ms. Bayo:

On behalf of Communications Central Inc. ("CCI"), enclosed please find the original and five copies of our request for waiver of Rule 25-24.515(8), F.A.C. which we ask that you file in the above captioned matter.

We request that the pay telephones located at the address below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The location and numbers of the public telephones are attached hereto as Exhibit "A".

This waiver is being requested in accordance with the requirements of Florida State Statues Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the end-user.

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

Ms. Blanca S. Bayo October 28, 1997 Page Two

The location provider for the location identified above has either joined in or agreed to this request for waiver which is attached.

The Commission has previously granted a waiver of this Rule in Order No. 97-0804, issued July 3, 1997, approving CCI's petition for waiver of the rule for pay telephones located in Clearwater, Florida. The owners had requested blocking of incoming calls to restrict unlawful activity.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Ronald V. Jackson Regulatory Attorney
