Certificate cancellation

Easyphone Partnership #TD927

Gentlemen:

Enclosed is my personal check for \$50.00 in payment for the regulatory assessment due for the calendar year 1997. I have already closed the business account, so this is the easiest way to handle this compliance measure. I have also checked with my partner who originally secured our certificate and he has no idea where it is, so I cannot return it to you at this time. If I do subsequently find it, however, I will immediately forward it to you for your use.

If further action on my part is required, please let me hear from you.
