---NOTE-----10/20/97-12:26pm-

Tommy, we opened this transfer docket last week. Have you seen it yet? I believe we may actually have to cancel an IXC cert. Can you take a look and let me know if that is the case? We will need to correct the docket title also. Please let me know ASAP. Thanks. Kay

.....  
It doesn't say anything about cancellation.

.....  
I know, but a company can't have two IXC certs. What will happen to the cert that is being transferred?

.....  
Will operate under same name.

.....  
Would it be better to call this "approval of asset purchase agreement" rather than transfer of cert?

.....  
You can call in a transfer of certificate. I could own two companys with different names and different tariffs. We can transfer the certificate without changing the name.

.....  
I took a look at the application, and they did file for "approval of an asset purchase agreement" ... "including a transfer of customer accounts and an assignment of certificates of authority." We need to reflect as accurately as we can what is happening here. Which title would be better?

Fwd-by:=-Tommy-William=10/20/97--3:48pm=  
Fwd to: Kay Flynn

.....  
We have nothing to do with purchase of customer base (customer accounts) and the assest purchase can be in the title as

approval for purchase of assets and  
transfer of certificate .....
