.....

I just had a call from Kim Pena, who was calling at Noreen's request to see about closing 970574 and reopening 960667, to handle a "vacate order" request that came in in May. I told her to prepare a joint memo from LEG/Davis and CMU asking that the new one be closed, the old be re-opened, and all filings in the new be moved to the old. They're going to file a recommendation referencing the old docket number today.

I apologize for not putting two and two together when we opened the docket in May. I am copying Linda on this so she will also be reminded that we should re-open old dockets to handle these types of matters. Kay
