Docket No. 971621-WS, Application
of Rainbow Springs Utilities,
L.C. to amend certificate

---NOTE-----3/06/98-12:39pm---

.....
I just talked to Shirley (sc645-5320) in
Rep. Janegale Boyd's office and she wanted
to know the status of the above-noted
case. I told her that we had sent out
about 400 letters to all the protestors
advising them that the Village of Rainbow
Springs Homeowners Association was
participating as a party, and that if they
too wanted to participate as a party they
should so petition the Commission. Also,
I told her that we advised the customers
that a hearing was tentatively set for
August.

However, I also advised her that the
utility had now filed a restrictive
amendment which would delete "The
Woodlands" and "The Forests" from the
amendment application if this would take
care of all protests and obviate the need
for a hearing. Mike Twomey, representing
the Homeowners' Association has not had
time to respond yet, and so I told Shirley
and Ms. Earle (sp?) (called Ms. Earle who
lives in the Woodlands at request of
Shirley) that I did not know what the
Association would say, but that I hoped
this would settle the dispute. This
seemed to answer all the questions that
Rep. Boyd's office had and also Ms. Earle.

Ralph, we are continuing to get objection letters from Rainbow Springs customers. The mailing list continues to grow, since each name has to be added. Should we be marking these objectors as parties? Kay

.....
Rule 25-22.026, FAC, says parties in any proceedings conducted in accordance with s. 120.57, FS, are . . . protestants, etc. However, in many cases the protestant is protesting PAA -- in this case, we have over 200 letters protesting the notice for amending the utility's certificate to include additional territory -- I have not noticed a head such as a President of a Homeowner's Ass'n, but there is reference to having time to hire counsel -- all the protestants seem to come from the Woodlands area where there are oversized lots and septic tanks. Marty Deterding will be coming back from vacation shortly and there is some idea that the utility may amend its notice by deleting the Woodlands territory from its notice. In this type situation, I am not sure how to handle 200 protestors -- the Commission has always allowed customer testimony at each hearing without the requirement for pre-filing -- Lila, how should Kay's question be answered -- one further thing, I believe a very few of the letters indicate that they do not want a formal hearing.

.....
Ralph, you need to contact these people or send a form letter to them (which we have) to verify that they indeed are objecting and requesting a hearing. Until then, what Don Strickland and I agreed to (and Noreen agreed) do is not indicate on cms that they are parties yet. List them on as an interested person. Once Ralph verifies that they are indeed requesting a hearing instead of just voicing their opinion, we will do a memo to records requesting that they be listed as parties. Ralph, get w/Lysa and Alice about the form letters. thanks,

.....
I am concerned about actually placing them on the mailing list in CMS--as interested persons. They aren't eligible to be marked as parties yet. Should they all be entered on the docket mailing list?

.....
Leaving them on the mailing list as interested persons is consistent w/the way we've done the rest of them. not marked as parties. I'd suggest staying consistent for now and Ralph will get back to you asap.
