Re: Notification of Fictitious Name Registration

Dear Mr. D'Haeseleer:

Pursuant to communications and instructions from Thomas E. Williams, III, Engineer for the Bureau of Service Evaluation, you are hereby notified that Gulf Long Distance, Inc., which is certified by the State of Florida to operate as both an Interexchange Carrier (IXC) and an Alternate Local Exchange Company (ALEC), has registered a fictitious name "Gulftel Communications". Gulf Long Distance, Inc. will continue to operate under its corporate name for Interexchange Carrier (IXC) services, but will do business under its fictitious name "Gulftel Communications" in providing Alternate Local Exchange Company (ALEC) services. Gulf Long Distance, Inc. is in the process of preparing its initial tariff for ALEC services and will style the tariff as that of Gulf Long Distance, Inc. d/b/a Gulftel Communications.

Enclosed herewith is a photocopy of the Certificate of Status issued by the Florida Secretary of State certifying the registration of the fictitious name.

Should the Public Service Commission require any additional action to amend its permit for Alternate Local Exchange Company (ALEC) services, please advise.

Thank you for your interest and attention to this matter and for that of your staff, including in particular, Thomas E. Williams, III, who has been most helpful.

Sincerely,

Bruce P. Anderson

Dear Ms. Bayo:

On Behalf of Peoples Telephone Company, Inc. d/b/a PTC, enclosed please find the original and five copies of our request for waiver of Rule 25-24.515(8), F.A.C. Which we ask that you file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

813-864-5707

Hosanna Hotel 3000 34th Street S St. Petersburg, Fl. 33711

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public.

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate

The location provider for the location identified above has either joined in or agreed to this request
