At the Commission's August 18, 1998, Agenda Conference, concerns were expressed regarding the implementation of one-way ECS on a 1+10 digit basis, and how customers will be made aware that ECS is available to them. Staff intends to address these issues as Proposed Agency Action issues.

In order to obtain your input regarding these issues, staff has scheduled an informal workshop for Tuesday, September 15, 1998, at 2:00 p.m. in Room 171 of the Betty Easley Conference Center. The discussion will be restricted to the concerns raised at the August 18, 1998, Agenda Conference. We look forward to your participation and input. Please call me at (850) 413-6212 if you have any questions.
