RE: Docket No. 980467-WS - Application for amendment of Certificates Nos. 373-W and 322-S to add territory in Marion County by Florida Water Services Corporation.

Dear Mr. Cloud:

Thank you for offering your assistance in resolving this docket. As discussed during our December 15, 1998, telephone conversation, there are four Marion County residents who were contacted by Commission staff who insisted that they wished to pursue their objections to Florida Water Services Corporation's (FWSC) amendment application. There are twenty-three residents who filed initial objections letters but were not contacted by staff. A list of these residents, including addresses, was provided to you earlier this month.

FWSC is currently in the process of determining whether any of these residents is outside of FWSC's proposed, additional territory as contemplated in the settlement agreement between Marion County and FWSC. This information will be forwarded to you.

Based upon our conversation, it is my understanding that you will contact these residents by letter regarding the parties' settlement, which will hopefully resolve their concerns regarding this matter. Per your inquiry, I have checked staff's files and have found no telephone numbers for these residents. If you have any questions, please contact me at (850)413-6181.

Sincerely,
Jim Vaccaro
