Re: **CONFIDENTIAL MATERIALS**  
Response to Staff Data Request - Docket No. 981444-TP

Dear Ms. Bayó:

Enclosed in response to a data request dated March 22, 1999 from the Division of Communications are copies of NXX usage reports for MCImetro Access Transmission Services, Inc. and WorldCom Technologies, Inc.

The information on these reports is proprietary confidential business information of MCImetro and WorldCom, respectively, within the meaning of Section 364.183(1), Florida Statutes. This data reveals market share information by area code, and the public disclosure of this information would impair the competitive business interests of these companies.

One copy is enclosed which highlights the information for which MCImetro and WorldCom claim confidentiality. Two redacted copies are also enclosed.

MCImetro and WorldCom request that this information be returned to them once the staff has completed its analysis.

If you have any questions, please call.
