VOTE SHEET

MAY 4, 1999

RE: DOCKET NO. 981052-TP - Petition by Telephone Company of Central Florida, Inc. for resolution of items under dispute in resale agreement with BellSouth Telecommunications, Inc.

Issue 1: Should BellSouth be permitted to recover from TCCF its non-recurring and recurring costs of providing OSS for use by ALECs?

A. If so, how should the charges for such use be determined?

B. What language and rates regarding OSS should be included?

Recommendation: Not at this time. The determination of the appropriate charges, if any, that may be assessed for OSS cost recovery should be dealt with in a generic proceeding.
