===NOTE=====5/17/99=12:05pm=====

I have your memo of 5/10, directing return of portions of a confidential document in this docket.

Confidential DN 04902-99 was filed with a notice of intent and consists of (1) responses Nos. 1 and 17 in staff's 1st set of interrogatories and (2) responses to staff's 1st set of PODs, Nos. 1, 2, 3, 10, 15, and 21.

Confidential DN 05932-99 was filed with a request for confidentiality and is a response to Nos. 1 and 17 in staff's 1st set of interrogatories.

Your memo indicates only the portion of DN 04902-99 consisting of responses to the PODs be returned. However, I would like to return the REST of that document as well (responses to 1 and 17 in staff's 1st interrogs). We have the version of the interrog response that came in under DN 05932-99. May I add a note to your memo to indicate we are returning ALL of DN 04902-99?
Kay

Yes, that is fine. I returned the rest of DN 04902-99 late last week, after I discovered that the same info was filed again as DN 05932-99.
