 RE: DOCKETS NOS. - 980946-TL, 980947-TL, 980948-TL, 981011-TL, 981012-TL, 981250-TL - BELLSOUTH'S PETITIONS FOR WAIVER OF THE PHYSICAL COLLOCATION REQUIREMENTS

On May 21, 1999, BellSouth Telecommunications, Inc. filed a Motion for Continuance of the proceedings in these dockets. Therein, BellSouth requests a continuance of these proceedings for six weeks. The hearing is currently scheduled for June 9-11, 1999.

BellSouth states that it plans to implement the majority of the FCC's requirements set forth in Order No. 99-48, issued March 31, 1999. Upon reassessment of the space in these offices, BellSouth will offer any available space to requesting carriers in the order of the original requests.

BellSouth has asked that a second formal prehearing conference be scheduled approximately six weeks from approval of this Motion. BellSouth has also indicated that the parties and staff intend to meet on June 11, 1999, to discuss the status of the space reassessment.

In view of BellSouth's stated intent to implement the majority of FCC Order 99-48 and to offer any available space to requesting carriers, I recommend that these proceedings be continued.
