Re: Petition of Tampa Electric Company to Modify Interruption Schedule of Load Management Programs; FPSC Docket No. 990644-EI

Dear Ms. Bayo:

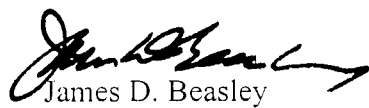

This is in reference to Tampa Electric Company's Petition filed in this docket on May 18, 1999. Exhibits A and B to that petition each inadvertently included three tariff pages pertaining to the company's Standby Generator Rider (Tariff Sheets Nos. 3.200 through 3.202). These tariff sheets were submitted in standard format in Exhibit A and in legislative format in Exhibit B to the petition. We would appreciate your disregarding these tariff sheets as their inclusion was only inadvertent and they do not pertain to the subject matter of the petition.

We are including the original and fifteen (15) copies of this letter and request that you distribute copies to the recipients of the initial filing so that they may be apprised of the foregoing.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
