ORDER APPROVING SETTLEMENT

BY THE COMMISSION:

America's Tele-Network Corp. (America's Tele-Network) currently holds Certificate of Public Convenience and Necessity No. 4377, issued by the Commission on February 3, 1996, authorizing the provision of Interexchange Telecommunications service. The Division of Administration advised our staff by memorandum that America's Tele-Network had not paid the regulatory assessment fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1997. Also, accrued statutory penalties and interest charges for late RAF payments for the year 1997 had not been paid.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing interexchange

telecommunications service. All applicants must attest that the rules have been received and understood by the applicant and an affidavit must be attached to the application in order for the application to be processed. Pursuant to Section 350.113(4), Florida Statutes, the RAF forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due.

On March 2, 1999, Order No. PSC-99-0429-FOF-TI was issued, to impose a \$500 fine and to require payment of the fine and past due amount by March 30, 1999 or cancel America's Tele-Network's certificate. Mr. Brian Cute, America's Tele-Network's attorney, called our staff on March 16, 1999 and advised that the company had paid all the past due charges on March 12, 1999, and that it would propose a settlement offer. By letter dated March 22, 1999, the company submitted a settlement offer. America's Tele-Network agreed to pay future regulatory assessment fees in a timely manner and contribute \$100 to the State General Revenue Fund.

After a review of the Division of Administration's records our staff determined that the company had failed to pay a portion of the interest charges for 1997. The company also agreed to pay the balance due for 1997. America's Tele-Network has now paid the 1997 and 1998 RAFs, including accrued statutory penalties and interest charges for 1997 and 1998.

We believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. America's Tele-Network must comply with these requirements within ten business days from the date this Order becomes final. The contribution will be forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the company fails to pay in accordance with the terms of its settlement offer, the company's certificate should be canceled administratively with an effective date of December 31, 1998. Upon remittance of the \$100 contribution, or cancellation of the certificate, this docket shall be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that America's Tele-Network Corp.'s settlement proposal summarized in the body of this Order is hereby approved. It is further
