Mr. Aleksander Keylikhes  
Vice President  
Telecom Network System International, Inc.  
100 North Biscayne Blvd., Suite 703  
Miami, FL 33132-2344

Dear Mr. Keylikhes:

The Commission's Division of Records and Reporting notified me that you responded to its request for updated information with what appears to be a name change. Our records show that your IXC certificate is currently in the name of Telecom Network System International, Inc., and that on the form, you added "d/b/a TNS."

I checked the Florida Department of State (DOS), Division of Corporations' records and found that TNS is registered as a fictitious name. However, I cannot process the name change until you provide me with enough labels for each page of your tariff. Once the labels are received, I will open a docket for the name change.

Please respond in writing by August 9, 1999, and specifically request the name change and include the labels. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at [pisler@psc.state.fl.us](mailto:pisler@psc.state.fl.us).

Sincerely,

A handwritten signature in cursive script that reads "Paula J. Isler".

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Mr. Keylikhes responded advising that their name has changed.

Forwarding copy of my "updated information" for your information and further handling. No docket has been opened requesting a name change. Until that is done and an order is issued acknowledging the name change, they will remain under the name that they were certified under.

Thanking you in advance.
