ORDER APPROVING SETTLEMENT

BY THE COMMISSION:

BN1 Telecommunications, Inc. (BN1 Telecommunications) holds Certificate of Public Convenience and Necessity No. 3567, issued by the Commission on July 19, 1994, authorizing the provision of Interexchange Telecommunications service. The Division of Administration advised our staff that BN1 Telecommunications had not paid the regulatory assessment fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1997. Also, accrued statutory penalties and interest charges for late RAFs payments for the years 1994, 1995, and 1997 have not been paid.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual RAF of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing Interexchange

Telecommunications service. All applicants must attest that these rules have been received and understood by the applicant and an affidavit must be attached to the application in order for the application to be processed. The RAF form was mailed to BN1 Telecommunications for the period of January 1, 1997, through December 31, 1997. Our correspondence regarding the RAFs was delivered and signed by BN1 Telecommunications on December 17, 1997.

On February 16, 1999, we voted at our Agenda Conference to impose a \$500 fine for the RAFs Rule violation or in the alternative, to cancel BN1 Telecommunications' certificate pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code. BN1 Telecommunications' attorney called our staff on February 17, 1999, and advised that the company was going trough a reorganization and it wanted to keep its certificate. Order No. PSC-99-0516-FOF-TI, issued on March 16, 1999, memorialized our vote. Telecommunications had until April 6, 1999, to file a protest and until April 13, 1999 to pay the fine and the past due amount. By letter dated March 1, 1999, BN1 Telecommunications submitted a settlement offer. BN1 Telecommunications agreed to pay future RAFs in a timely manner and contribute \$100 to the State General Revenue Fund. On April 5, 1999, the Division of Administration's Records showed that the 1997 and 1998 RAFs had been paid. However, the full amount of the past due statutory penalties and interest On June 11, 1999, charges had not been received. Telecommunications paid the past due statutory penalties and interest charges for the years 1994, 1995, 1997, and 1998 in full.

Upon consideration, we believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. When submitting the \$100 contribution, BN1 Telecommunications must identify this docket number and its name. BN1 Telecommunications must comply with these requirements within ten business days from the date of this Order. The Commission will forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. Upon remittance of the \$100 contribution, this docket shall be closed. If BN1 Telecommunications fails to comply with this Order, its certificate will be canceled administratively with an effective date of December 31, 1998.
