**EMERGENCY MOTION FOR PROTECTIVE ORDER**

COMES NOW Sprint-Florida, Incorporated ("Sprint"), and requests that the Florida Public Service Commission issue an Emergency Protective Order to allow Sprint to serve upon Thrifty Call, Inc. ("Thrifty") a complete copy of a complaint containing information that may be confidential. This motion is being filed pursuant to Sections 364.24 and 364.183, Florida Statutes (1999) and Rule 25-4.006, Florida Administrative Code. In support, Sprint states as follows:

1. Concurrent with this motion, Sprint has filed a Complaint against Thrifty Call, Inc. This complaint contains information that may be confidential and proprietary to another Interexchange Carrier.
2. Sprint has also filed a Request for Confidential Classification for any information in the Complaint that may be confidential. In an abundance of caution, Sprint has served a redacted copy of the complaint on Thrifty Call. Sprint recognizes that Thrifty may need to have a copy of the entire complaint if it wishes to file a response to it.
3. Sprint believes that the information may be protected by the claim of confidentiality itself or by operation of law pursuant to Section 364.24. Nevertheless, in an abundance of caution and to minimize any delay in the processing of the complaint, Sprint requests that the Commission expeditiously issue a protective order pending a final ruling on Sprint's Request for confidential classification.

WHEREFORE, based on the foregoing, Sprint respectfully requests that the Commission issue any appropriate protective order, protecting the information from disclosure while it is maintained at the Commission, in the possession of Thrifty Call or adjudged to be not confidential.

RESPECTFULLY SUBMITTED this 22<sup>nd</sup> day November 1999.
