.....  
The above docket is Toni's and is an application. Records and Reporting notified me that they've had returned mail to this company marked "vacant". Since the certificate is not yet effective (CMS shows the Consummating order has not been issued yet), can we do anything about it or do I need to open a separate docket to cancel for reporting requirements?

CO is downstairs already. I checked with Mr. Hernandez and his address is correct but he would like the record to have that address as his business address and the following as his mailing address:

662 Mariners Way  
Boynton Beach, Fl 33435

Please tell me if this is a problem.

.....  
It is not a problem. Hong can change the parties list mailing address to the one you've typed above, and Nonnye can move her current MCD address to the "location" address, and add the above as the mailing address. We'll be sure this is done today (esp. docket mailing list) so the order will be mailed to the right address. (Hong, let's put the PAA order in the envelope with the CO order, since the PAA order was returned as undeliverable.)
