Re: Supplement to request to surrender certificates – Broadspan d/b/a Primary
Certificates granted: ALEC – 7445 (Company Code TX425)
IXC – 7376 (Company Code TJ348)

Dear Ms. Pruitt:

Mpower Communications Corp. f/k/a MGC Communications, Inc. ("Mpower") now owns Broadspan Communications, Inc. d/b/a Primary Network Communications ("Primary") and by letter dated 12/15/00, has requested that the Primary certificates be cancelled. It is my understanding that the Primary certificates will be cancelled, retroactive to 12/19/00, but that the regulatory assessment for 2000 must be paid. Mpower has received regulatory assessment forms for Primary for 2000 and will pay those fees by the due date of 1/30/01.

Should you have any questions, I am available at:
