Re: Docket No. 001280-TI

Dear Mr. Kay:

This is a follow up to our telephone conversation concerning the above docket. You stated National Operator Services, Inc. does not provide operator services in Florida. Based on that statement, I can recommend to the Commission that your certificate be voluntarily cancelled with an effective date of December 29, 2000. However, the company must first pay the \$142.50, breakdown attached.

If the \$142.50 and request for voluntary cancellation is received within 15 days from the date of this letter, I will file another recommendation to voluntarily cancel National Operator Services, Inc.'s certificate effective December 29, 2000.

You also asked about the original application. Commission records show that National Operator Services, Inc.'s IXC Certificate No. 2670 was granted June 27, 1991 in Docket No. 910233-TI. You may request a copy of the original application from the Division of Records and Reporting. There may be a charge for the copy. That Division's telephone number is (850) 413-6770.

If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.
