RE: Docket No. 001101-TC - Cancellation by Florida Public Service Commission of PATS Certificate No. 6024 issued to Billy Richard Wilson for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees

On October 2, 2000, Order No. PSC-00-1792-PAA-TC was issued, which imposed a \$500 fine. The company had until October 23 to protest the Order. The company filed a timely protest on October 9, 2000. By Order No. PSC-00-2255-AS-TC, issued November 28, 2000, the company had until December 12 to pay the \$100 settlement or its certificate was to be canceled administratively. On December 7, 2000, I called the telephone number on file in MCD for Mr. Wilson. A recording advised that the number was no longer in service. On January 3, 2001, I received an e-mail from Records and Reporting advising that Mr. Wilson had called that division and asked if he needed to pay the settlement. Mr. Wilson was advised yes. However, as of this date, the Commission has not received the company's payment of the \$100 settlement. Accordingly, this company's Certificate No. 6024 (TG496) should be canceled administratively with an effective date of December 12, 2000, and the docket closed.
