Ms. Blanca S. Bayo
Director of Division of Records and Reporting
Florida Public Service Commission
2540 Shumard Oak Boulevard

Ms. Bayo,

I'm writing in regards to your Docket Number 001300-TI containing the proposed PSC Certificate cancellation of Discount Utilities, LLC.

In previous correspondence I paid the 1999 RAF plus the statutory penalty and interest for a total of \$67.50. Our 1999 RAF report was filed in April but I failed to pay the minimum fee of \$50, it was simply an oversight. We do not currently do any business in Florida and I overlooked the minimum fees due. To prevent this from happening in the future, I will be creating a position here at Discount Utilities, LLC to handle all regulatory filings.

I propose to pay \$100 as atonement for this violation and ask the commission not to cancel our certificate. I understand that if I do not comply with this offer I waive any objection to the administrative cancellation of our certificate.

If you have any questions, please do not hesitate to telephone me at 219-583-6560 or by fax at 877-417-1224.

Sincerely,

Steve Brown
