**RE:** Request to Re-Open Docket No. 000778-TI

---

Docket No. 000778-TI was opened on June 27, 2000, and was administratively closed on November 21, 2000, because staff believed that the show cause against Qwest Communications Corporation was not warranted at that time.

Based on new data, staff has now determined that the show cause against Qwest Communications Corporation is apparently warranted. In addition, the title for Docket No. 000778-TI should be changed to read as follows:

→ **Initiation of show cause proceedings against Qwest Communications Corporation for apparent violation of Rules 25-4.118, F.A.C., Local, Local Toll, and Toll Provider Selection, and 25-4.043, F.A.C., Response to Commission Staff Inquiries.**

*Docket reopened.*
