Re: Docket No. 001496-TX

Dear Mr. Weaver:

This is a follow up letter concerning the above docket. The regulatory assessment fee (RAF) is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. The RAF is due if a certificate is active for any day during a calendar year. Since your certificate was issued so late in the year (December 2, 1999), the RAF was due by April 24, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with your check for the past due amount in full. The RAF is .0015% of your total Florida gross revenues, or \$50.00, whichever is greater. However, if you owe only the minimum amount and if it is postmarked by February 24, 2001 the 1999 total is \$68.00 (\$50.00 fee, \$12.50 penalty, and \$5.50 interest). If your check is postmarked between February 24 and March 26, 2001, the interest increases to \$6.00, or a total minimum amount of \$68.50.

The Commissioners voted on this docket at the February 6 Agenda Conference to impose a \$500 fine for failure to pay the RAF. At this point, you have three options.

- (1) Cancel the certificate voluntarily - Pay all past due charges in full, pay the 2001 RAF or provide a date certain that it will be paid (such as 30 days from the date of the Commission Order cancelling your certificate), and write a letter requesting cancellation and reference the docket number. A copy of our rule is attached.

FPSC-RECORDS/REPORTING

- (2) Do nothing - In this case, your certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection.
- (3) Pay the past due fees and \$500 fine. If you choose this option, your certificate will not be cancelled.
- (4) File a petition for a formal proceeding in the form provided by Rule 28-106.201, F.A.C., copy attached. This petition must be filed with the Commission **after** the Order is issued and within the protest period. Rule 28-106.201(2)(g) states that the petition must include "A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action." This means that you may wish to propose a settlement. It should be noted that just paying the past due amount will not prevent your certificate from being cancelled. If you propose a settlement, your petition must include the following elements:
 - Docket number;
 - A check for the past due amount in full;
 - A statement that it has taken steps to prevent future late payments of the regulatory assessment fees and what those steps are;
 - Make a specific monetary settlement; and
 - A waiver of objection to the administrative cancellation of your certificate in the event your offer is accepted and you fail to comply with the terms which you have offered.

Any settlement offer should be addressed to Ms. Blanca Bayó, Director, Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. The proposed settlement amount should **not** be paid at this time, instead only the past due regulatory assessment fee, plus penalty and interest charges should be paid. The settlement amount, if approved by the Commission, will become due after the Commissioners vote on this issue.

If you file a timely petition proposing a settlement, a new Agenda Conference date will be scheduled. At that time, the Commissioners will vote on whether or not to accept your settlement offer. An Order will then be issued and you will have 10 business days from the date of the Order to pay the settlement.

FLORIDA PUBLIC SERVICE COMMISSION
Instructions For Filing Regulatory Assessment Fee Return
(Alternative Local Exchange Company)

1. **WHEN TO FILE:** For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before July 30 for the six-month period January 1 through June 30, AND
On or before January 30 for the six-month period July 1 through December 31.

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the prior twelve-month period January 1 through December 31.

However, when July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee Return may be filed or postmarked on the next business day, without penalty or interest.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts.

On Line 8, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. Do not deduct any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. **DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.**

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 11). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 12). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
6. **MAILING INSTRUCTIONS:** Please complete this form, make a copy for your files, and return the original in the enclosed preaddressed envelope. PART II HEARINGS INVOLVING DISPUTED ISSUES OF MATERIAL FACT

28-106.201 Initiation of Proceedings.

(1) Unless otherwise provided by statute, initiation of proceedings shall be made by written petition to the agency responsible for rendering final agency action. The term "petition" includes any document that requests an evidentiary proceeding and asserts the existence of a disputed issue of material fact. Each petition shall be legible and on 8 ½ by 11 inch white paper. Unless printed, the impression shall be on one side of the paper only and lines shall be double-spaced.

(2) All petitions filed under these rules shall contain:

(a) The name and address of each agency affected and each agency's file or identification number, if known;

(b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;

(c) A statement of when and how the petitioner received notice of the agency decision;

(d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;

(e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;

(f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action; and

(g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

(3) Upon receipt of a petition involving disputed issues of material fact, the agency shall grant or deny the petition, and if granted shall, unless otherwise provided by law, refer the matter to the Division of Administrative Hearings with a request that an administrative law judge be assigned to conduct the hearing. The request shall be accompanied by a copy of the petition and a copy of the notice of agency action.

(4) A petition shall be dismissed if it is not in substantial compliance with subsection (2) of this rule or it has been untimely filed. Dismissal of a petition shall, at least once, be without prejudice to petitioner's filing a timely amended petition curing the defect, unless it conclusively appears from the face of the petition that the defect cannot be cured.

(5) The agency shall promptly give written notice to all parties of the action taken on the petition, shall state with particularity its reasons if the petition is not granted, and shall state the deadline for filing an amended petition if applicable.
