I'm not out, but Matilda is. I will fix the docket title. Is this what your call was about this morning?

Hi Linda/Matilda,

I heard that Linda was out today, so just in case this one is being sent to you both. I am sorry if there is any confusion.

The CASR title should read with the owner for the d/b/a as follows:

Charles B. Little d/b/a C & J Enterprises

Please make the change.

Thank you,

Toni
