Re: CONFIDENTIAL filing in Docket 990362-TL

Dear Ms. Bayo:

This letter forwards the CONFIDENTIAL deposition of JOSEPH PAUL CALIRO, and an accompanying CONFIDENTIAL exhibit, for filing in docket 990362-TL. This filing must be treated as confidential for the time being because it contains and discusses documents provided to our office by Verizon that the company claims are confidential. Verizon previously filed notices of intent to seek confidential classification of the documents.

We believe that Verizon must now file a specific request for a protective order pursuant to Commission rule 25-22.006(6)(c). Once Verizon files this request, we will file redacted copies of the deposition and exhibit. When the Commission enters a final order on Verizon's request, we will file an update.

Thank you for your assistance. Please call me if you have any questions.

Sincerely,

Charles J. Beck
Deputy Public Counsel
