Re: Payphone Certificate No. 3717

Dear Mr. Forman:

The Commission received your letter dated January 23, 2001 requesting cancellation of your pay telephone certificate. You stated that you understood you are responsible for the 2000 Regulatory Assessment Fee (RAF), however, there was no check attached with the letter.

Since the 2000 RAF was due by January 30, 2001, this means that in addition to the minimum RAF (\$50.00), you also owe statutory penalty (\$2.50) and interest (\$0.50) charges, for a total of \$53.00 for 2000. Our records also show that you have \$3.00 penalty and interest balance for the 1996 RAF (payment was due January 30, 1997, and the postmark date of your payment was January 31, 1997).

If you respond by February 20, 2001 by paying the \$56.00, staff will make the effective date December 31, 2000 so that the 2001 fee will not be due. If, however, the \$56.00 is not received by that date, the effective date will be the date we receive the payment and the 2001 fee will be due. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.

Good morning, Linda. I was filing and found two e-mails (on 01/30 about TG351 - C & A Communications and on 01/31 about TF065 - Silver Oaks). You said in the e-mails that you would forward the letters requesting cancellation to me so that I could attempt collection of the fees since they have a past due balance from prior years and both owe for 2000. Just so you'll know, I have not received them yet. I wasn't sure if you sent them to CMP or RGO (I'm in CMP).

Jackie, if you receive them, please forward to me since dockets are not ready to be opened yet. Thanks.

I still need to write them since they were due by yesterday. In addition, they have a small P&I balance for the 1996 RAF. So I might as well make them pay everything they owe.

No, but they did say that they understand they are responsible for filing them. They didn't say when they would file though.

Dear Sir/Madam;

Please be advised we have not had any telecommunications equipment owned by our company that would be used on this property for over two years. Therefore, we are requesting cancellation of our certificate.

We understand we are responsible for filing the 2000 return and the minimum fee of \$50.00 for this period. However, we would ask if this cancellation of our certificate be effective as of December 31, 2000 so we will not have to file returns in the future.

Thank you in advance for your attention to this matter.

Very truly yours,

SILVER OAKS MOBILE HOME COMMUNITY
